SUPPLIES TO CHECK

Chunky cardigan, plain soft scarf, mirror

01 PLAN

Let the knit texture be the main visual feature and choose a plain scarf in one coordinating color. Start with a light base layer rather than a thick shirt that crowds the sleeves.

02 DETAILS

Drape the scarf loosely and check the neckline from the front and side. Shorten the ends if they catch on a bag or chair. Avoid a tight bulky knot that makes the cardigan uncomfortable.

03 FINAL CHECK

Inspect movement and comfort before shopping for another layer. Compare actual garment dimensions and selected-color photos with what you own. This is styling inspiration rather than a hands-on review of warmth or softness.
