A black-cat outfit using clothes you already own

An outfit checklist: optional headband, own black clothes and shoes. Use the free worksheet with the steps below. Compare the optional supply only if you need it.

Materials: Black clothes already owned; shoes; optional headband

1. Check before starting

Choose clothes and shoes suitable for the event and weather. Try the complete outfit before adding accessories.

2. Plan the arrangement

Check any optional headband's measurements and return terms. A headband listing does not include the clothing shown.

3. Finish and review

Sit, reach and walk in the outfit. Leave out accessories that interfere with vision or movement and use your own comfort judgement.

Follow product and material directions.
