A bottle-cleaning station that keeps removable pieces together

Make a bottle-parts drying station before adding another bottle to the kitchen. Keep each lid component with the bottle it fits.

Fill the fields in a PDF reader, or print and write. Save your own copy; entries are not submitted to FigureNook.

Exact bottle / lid / removable parts in manual

Cleaning directions for each part

Drying area / upright support / storage spot

Missing or damaged parts / replacement reference

Use current product directions. No purchase or signup is required. Product illustrations are conceptual, not exact photographs.

Bottle-parts identification labels

Solid lines: cut outline. Dashed lines: fold or design guide. Check the scale before using.
