A coffee travel mug: choose a slider lid for the drinking routine

A sliding coffee-cup lid needs its own cleaning check. Learn how the exact model opens and comes apart before packing it for a commute.

Fill the fields in a PDF reader, or print and write. Save your own copy; entries are not submitted to FigureNook.

Cup and lid model / removable components

Maker's wash and reassembly directions

Drying and storage locations

Travel position / leak claims checked / next action

Use current product directions. No purchase or signup is required. Product illustrations are conceptual, not exact photographs.
