A cosy guest slipper basket with removable size tags

Original removable size tags and a guest-basket arrangement; follow product care labels. Download the matching printable below, then use the three-step plan. The featured product is optional.

Materials: EverFoams Women’s Soft Curly Slippers Memory Foam Lightweight House Shoes (optional featured product); Free matching FigureNook PDF; Paper and a pen; The actual item instructions and measurements

1. Start with the real item

Choose how many guest pairs you want and check each pair's actual size label. The linked research option is Grey, size 7-8; other sizes are separate choices.

2. Use the matching plan

Print the tags and write only the size shown on each pair. Tie tags loosely to the basket dividers or removable packaging rather than modifying footwear.

3. Finish and check

Keep the basket dry and follow care instructions. Offer guests a choice and do not claim that one sole or size is suitable for every floor or person.

Check the exact selected option, maker directions, included pieces, current delivery and return terms before purchase. Other accessories shown may be separate.

Your matching printable
