A cropped cardigan with high-waist culottes

Hem and waistband proportion card • Free, no signup or purchase.

Find the waistline

Try the high-waist culottes with a simple top. Check the actual rise and waistband comfort before layering.

Compare the cropped hem

Add the cropped cardigan and see whether its hem meets, overlaps or sits above the waistband. A small overlap can work; there is no universal ideal length.

Balance the lower half

Compare flat shoes and a comfortable alternative you own. Walk and sit to check movement, then note hem lengths and shoe choice on the proportion card.

Important

Check the actual product size chart, material, care label and return terms. The optional link is only for the cardigan; other outfit pieces are separate suggestions. The illustration shows an outfit concept; verify fit using actual garment measurements.
