A fall-leaf monogram for a picture frame

Printable initial outline • Free, no signup or purchase.

Trace the initial

Print the alphabet sheet at actual size and check its one-inch square. Enlarge your chosen initial to fit the frame. Trace it onto removable backing instead of a valuable photograph.

Fit the leaves

Arrange artificial leaves you already have or from an optional set around the outline. Leave gaps so the letter remains readable; trim only if material construction allows it safely.

Fix and frame

Use suitable adhesive according to its instructions and let it cure. Check depth before closing the frame. Keep artificial leaves clear of heat and small children.

Important

Artificial foliage is decorative. Use separate suitable supports and fixings where needed, rated for the actual surface and load. Keep small parts, cords and vines away from children and pets, and keep access, ventilation and heat clear. Never use an open flame near foliage.
