A fragrance gift exchange with a printable scent-preference card

Original recipient scent-preference card and gift-exchange label; optional Cheirosa purchase. Download the matching printable below, then use the three-step plan. The featured product is optional.

Materials: Sol de Janeiro Cheirosa Hair & Body Perfume Mist (optional featured product); Free matching FigureNook PDF; Paper and a pen; The actual item instructions and measurements

1. Start with the real item

Print one preference card per participant. Ask them to mark broad scent preferences and formats they actually want, with an option to skip fragrance.

2. Use the matching plan

Choose an optional product only after reading its exact scent name, format and size. The linked Cheirosa option is not a substitute for the recipient's own preference.

3. Finish and check

Attach a numbered card to each wrapped gift and keep receipts separate. Match the gifts to each recipient's stated scent preferences.

Check the exact selected option, maker directions, included pieces, current delivery and return terms before purchase. Other accessories shown may be separate.
