A fragrance gift packing checklist that keeps the label visible

A recipient-preference and wrapping planner; no scent or longevity test claim. Use the free worksheet with the steps below. Compare the optional supply only if you need it.

Materials: Exact bottle; suitable box; tissue; gift information

1. Check before starting

Confirm the recipient's preferred format and the exact bottle volume. Keep ingredient and use information available.

2. Plan the arrangement

Choose a box that supports the closed bottle upright. Arrange tissue without hiding information the recipient needs.

3. Finish and review

Retain purchase or gift-return details separately. Follow shipping carrier and product rules if mailing a fragrance; this is a wrapping plan only.

Follow product and material directions.
