Build the two-color base

Try camel trousers with a navy crew-neck cardigan. Choose a base layer that is comfortable beneath the knit and check the neckline with the cardigan open and closed.

Check the hem

Stand naturally and compare the cardigan hem against the trouser waistband. Try a small front tuck only if the knit lies flat; leave it untucked if it pulls across the buttons.

Finish and test

Add loafers and one small gold-toned accessory. Sit, reach and walk before deciding on the outfit. Record the actual garment sizes and any changes on the outfit card.

Important

Check the actual product size chart, material, care label and return terms. The optional link is only for the cardigan; other outfit pieces are separate suggestions. The illustration shows an outfit concept; verify fit using actual garment measurements.
