A paper-star shadow box with battery fairy lights

Plan a shallow star display with the battery box accessible outside the paper layers.

Frame opening

Number and size of stars

Battery-box location

Maker-approved lighting use

SAFETY CHECK
Use lights only as permitted by their instructions. Do not use a closed paper enclosure unless approved. Keep paper clear of lamps and heat sources. Keep the battery box dry, outside the paper layers, and the switch accessible. If suitability cannot be confirmed, use an unlit display.

Use current product directions. The guide and printable are free; no purchase or signup is required.

A paper-star shadow box with battery fairy lights - pattern workspace

Cut solid outlines. Dashed lines are fold or planning marks. Keep printed paper out of food contact.
