A single fragrance mist or a gift set? Read the contents

A single-bottle versus set comparison. Use the free worksheet with the steps below. Compare the optional supply only if you need it.

Materials: Exact fragrance listing; contents checklist; recipient preferences

1. Check before starting

Read the selected fragrance option's format, volume and piece count. Check the exact directions and size.

2. Plan the arrangement

Compare any gift set using its own item list rather than a similar photograph. Do not assume wrapping or extra scents are included.

3. Finish and review

Check the seller, recipient preferences and current returns.

Follow product and material directions.

Read the label and follow the cosmetic?s directions and warnings. See the FDA reference in the guide.
