A Thanksgiving garland accent that leaves the table clear

A sideboard garland should leave serving space and working doors. Plan its route with a tape measure before attaching anything.

Fill the fields in a PDF reader, or print and write. Save your own copy; entries are not submitted to FigureNook.

Sideboard length / usable serving area

Garland length / planned drop at each end

Attachment method compatible with finish

Door clearance / nearby heat sources / final layout

Use current product directions. No purchase or signup is required. Product illustrations are conceptual, not exact photographs.
