A vertical ribbon cascade for a pencil Christmas tree

Plan a loose vertical ribbon line without winding material around light wires.

Tree height

Cascade support points

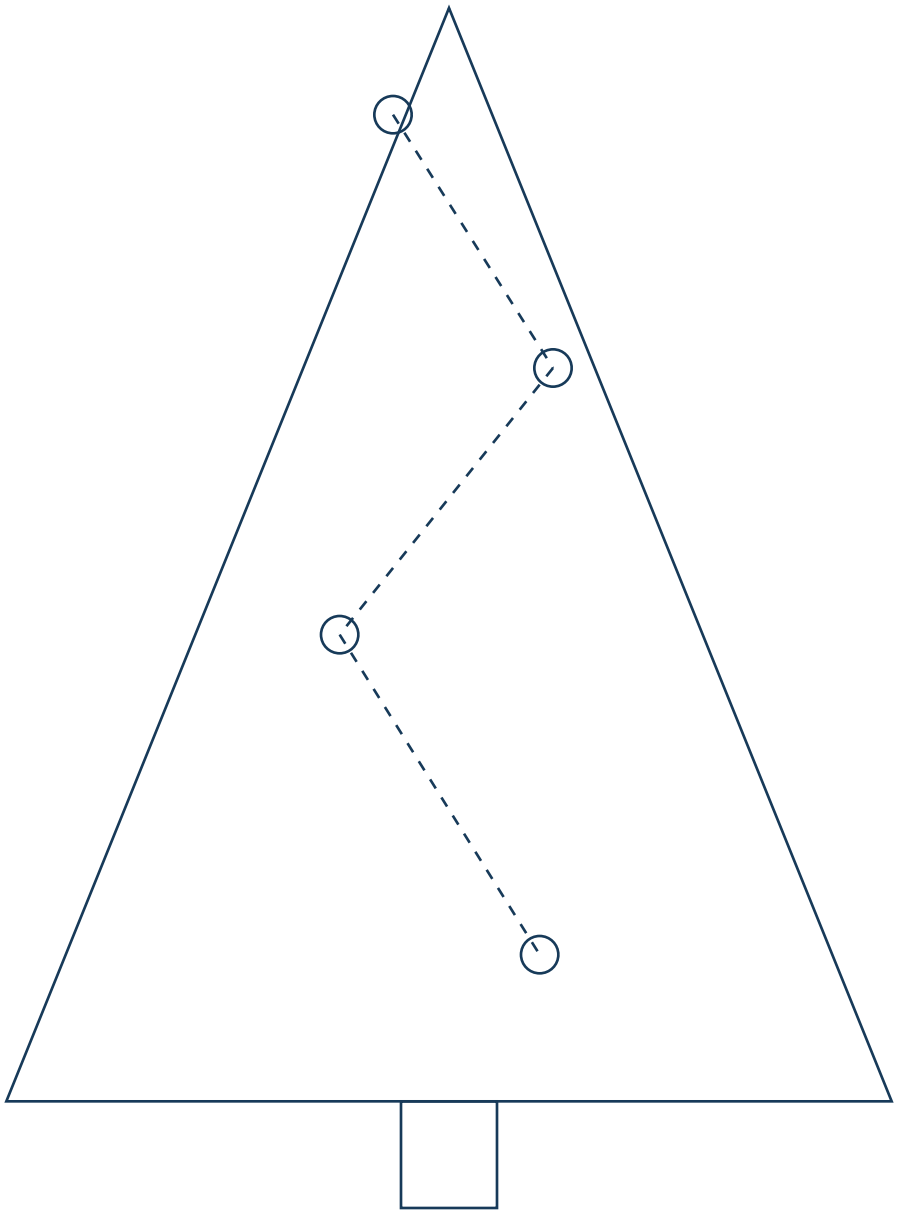
Trial ribbon length

Clearance and attachment checks

Use current product directions. The guide and printable are free; no purchase or signup is required.

A vertical ribbon cascade for a pencil Christmas tree - pattern workspace

Cut solid outlines. Dashed lines are fold or planning marks. Keep printed paper out of food contact.



Planning diagram only. Mark support points clear of wires, bulbs and controls.

1 inch print check
