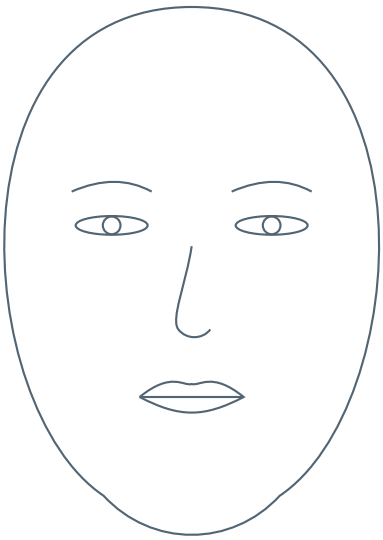
An original black lace cheek stencil look

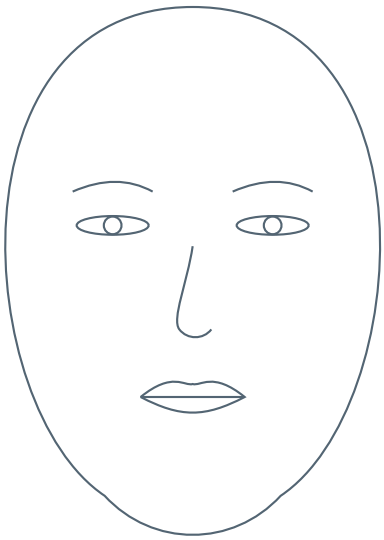
Planning charts, not templates to cut and place on skin.

Choose a clean cosmetic stencil with a small open mesh. Practise on the face chart, then hold the stencil still on the cheek away from eyes and lips, stipple lightly with a barely loaded sponge and lift straight away.

1. Sketch the layout 2. Adjust spacing 3. Repeat with more control



Plan A



Plan B

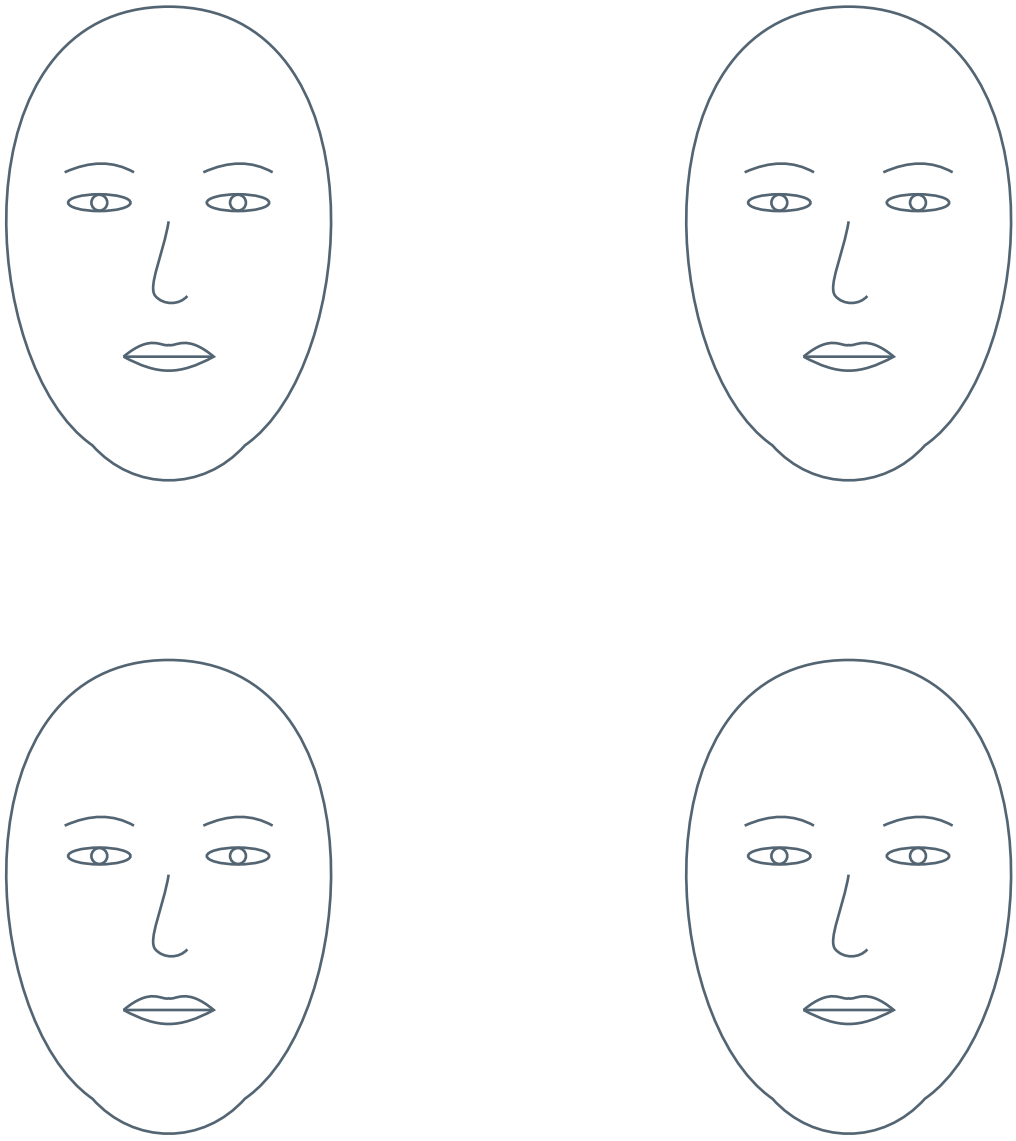
Wrist / shoulder zone: plan the pattern here

Palette / tools: _____

One thing to adjust: _____

An original black lace cheek stencil look

A second page to repeat the design with your chosen spacing. Use the guide for the full method.



Follow your selected cosmetic product directions. This is an original design illustration.
