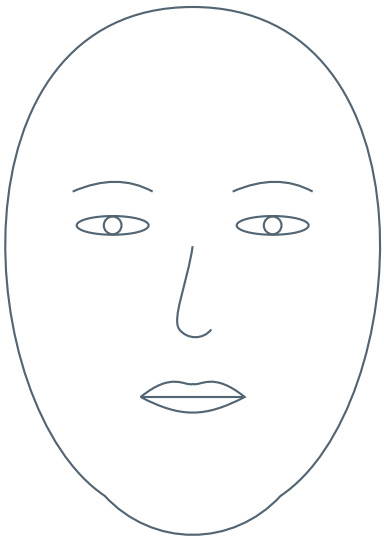
Black lace wrist makeup for a party

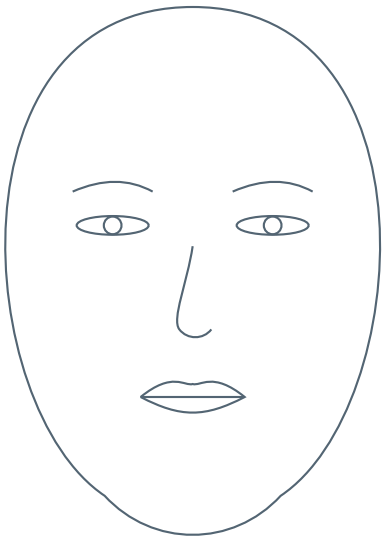
Planning charts, not templates to cut and place on skin.

Sketch a short band in the labelled wrist planning zone; it is not an actual-size wrist template. Choose a clean cosmetic stencil and lightly stipple a black lace motif around only part of the wrist; keep the shape open rather than making a solid stripe.

1. Sketch the layout 2. Adjust spacing 3. Repeat with more control



Plan A



Plan B

Wrist / shoulder zone: plan the pattern here

Palette / tools: _____

One thing to adjust: _____

Black lace wrist makeup for a party

A second page to repeat the design with your chosen spacing. Use the guide for the full method.

Smaller wrist-band sketch

Wider-spaced wrist-band sketch

Follow your selected cosmetic product directions. This is an original design illustration.
