Chocolate and fruity treats: organize two labelled bowls

A wrapped-candy station plan; separate bowls do not make food allergen-free. Use the free worksheet with the steps below. Compare the optional supply only if you need it.

Materials: Two bowls; wrapped treats; paper labels

1. Check before starting

Read the actual wrappers and sort by the intended flavour group. Preserve the complete ingredient information.

2. Plan the arrangement

Place a clear label in front of each bowl without covering access to the treats. Use separate utensils if serving unwrapped food.

3. Finish and review

Keep reserve treats in their original packages. Grouping by flavour does not make either bowl allergen-free.

Follow product and material directions.
