Flocked-tree setup: plan the unpacking area before decorating

Plan an unpacking area for a flocked artificial tree. A little floor-space planning makes assembly and cleanup easier.

Fill the fields in a PDF reader, or print and write. Save your own copy; entries are not submitted to FigureNook.

Box dimensions / assembly floor space

Floor covering already owned / cleaning method

Tree sections / stand / instructions inventory

Packed storage location / missing parts / next action

Use current product directions. No purchase or signup is required. Product illustrations are conceptual, not exact photographs.
