Read the care label

Clean and dry the cardigan according to its own label before storage. Do not apply a generic wash temperature to every knit.

Fold without hanging weight

Lay the dry cardigan flat, smooth it lightly and fold sleeves inward. Fold the body once or twice to fit the drawer without pulling the neckline.

Leave room in the drawer

Place the folded knit on a smooth surface away from exposed hooks or rough hardware. Do not compress it beneath heavy items. Measure the drawer and sketch a fold plan.

Important

Check the actual product size chart, material, care label and return terms. The optional link is only for the cardigan; other outfit pieces are separate suggestions. The illustration shows an outfit concept; verify fit using actual garment measurements.
