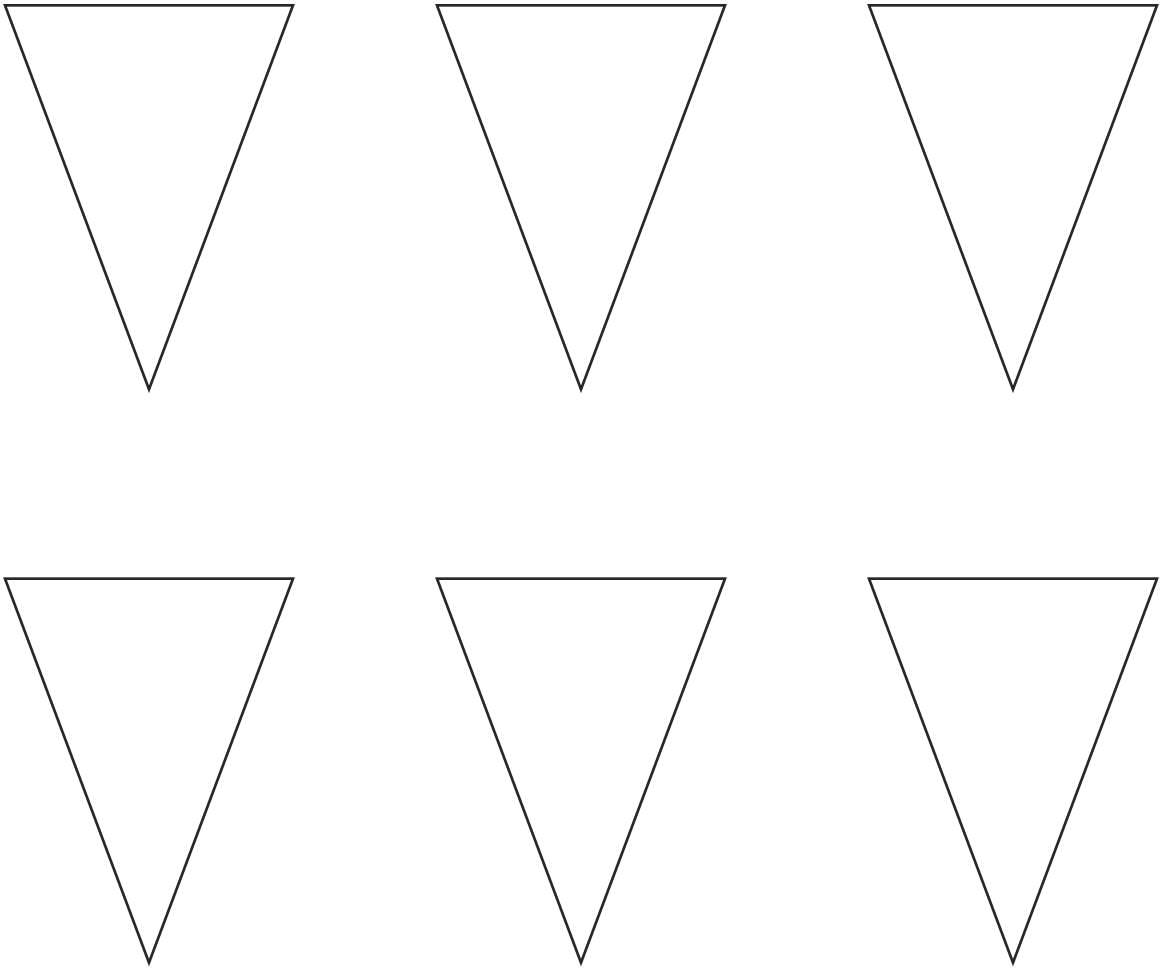
Six friendly monster teeth

Print at Actual Size / 100% on US Letter. Cut along the outlines.

Original FigureNook template | Personal use | figurenook.com

Each tooth is 1.5 inches wide x 2 inches tall. Trace onto white cardstock.



Smile backing: cut black cardstock about 12 x 4 inches.

Round the lower corners. Glue teeth to the paper, never to the door.

Place all six teeth on the upper edge, pointing down into the smile.
