Keep a winter radio kit usable: record cables and battery checks

Keep a weather radio's charging accessories together. A weather-band receiver and a music speaker are not interchangeable emergency tools.

Fill the fields in a PDF reader, or print and write. Save your own copy; entries are not submitted to FigureNook.

Radio model / manual / supported power sources

Included cables and batteries versus optional items

Compatible charge source / storage location

Check date / test result / next maker-directed check

Use current product directions. No purchase or signup is required. Product illustrations are conceptual, not exact photographs.
