# Keep real-tree watering accessible after decorating

Keep the real tree stand's reservoir reachable and use a simple observation log after decorating.

### Stand and tree dimensions

### Reservoir access route

### Observed water level and date

### Action and stability check

Use current product directions. The guide and printable are free; no purchase or signup is required.

# Keep real-tree watering accessible after decorating - log

Use this log to record the date, observed level, action taken and notes.

| Date | Observed level | Action taken | Notes |
| --- | --- | --- | --- |
