One black cardigan, three holiday dress codes

A casual-to-dressier outfit planner using other clothes already owned. Use the free worksheet with the steps below. Compare the optional supply only if you need it.

Materials: Black cardigan; clothes already owned; outfit planner

1. Check before starting

Start with the actual cardigan and its care directions. It is a plain black option, not a plaid design.

2. Plan the arrangement

Plan three combinations using existing clothes and shoes. Check the event's dress expectations rather than assuming one outfit fits every setting.

3. Finish and review

Try each complete outfit sitting and standing. Other pieces in the illustration are optional and are not included with the cardigan.

Follow product and material directions.
