Pack wired USB-C earbuds so the cable and connector stay together

A wired-earbud travel pouch is useful only if the connector works with the recipient's device. Plan a simple packing check before wrapping.

Fill the fields in a PDF reader, or print and write. Save your own copy; entries are not submitted to FigureNook.

Phone / tablet model / audio connector

Earbud connector / exact compatibility evidence

Case or pouch already owned

Packing place / optional adapter / return receipt

Use current product directions. No purchase or signup is required. Product illustrations are conceptual, not exact photographs.
