Pair a solid cardigan with a plaid scarf in two scales

Pattern-scale pairing card • Free, no signup or purchase.

Identify the scarf scale

Lay the plaid scarf beside the solid cardigan. Look at the width of the checks rather than treating every plaid as the same pattern.

Compare two folds

Fold the scarf narrowly to show fewer checks, then broadly to show the larger pattern. Keep the cardigan solid so the comparison remains clear.

Check bulk and movement

Try each fold around the neck loosely. Make sure it does not crowd the cardigan neckline or catch on buttons. Photograph your own outfit if useful and mark the preferred fold.

Important

Check the actual product size chart, material, care label and return terms. The optional link is only for the cardigan; other outfit pieces are separate suggestions. The illustration shows an outfit concept; verify fit using actual garment measurements.
