PE foliage or basic PVC: what to compare in an artificial tree

Artificial-tree descriptions may mention PE, PVC or a blend. Compare the material description with shape, footprint and storage needs.

Fill the fields in a PDF reader, or print and write. Save your own copy; entries are not submitted to FigureNook.

Tree model / height / widest diameter

Maker's PE / PVC / blend description

Branch close-up observations / lighting details

Storage dimensions / price / preferred trade-off

Use current product directions. No purchase or signup is required. Product illustrations are conceptual, not exact photographs.
