Plan one cardigan outfit around loafers and matching socks

Start at the shoes

Choose loafers that fit comfortably and socks appropriate to the weather. Try the combination before building the rest of the outfit.

Repeat one color

Pick trousers and a solid cardigan that repeat or complement one sock color. Keep the rest of the outfit simple so the shoe-and-sock choice reads clearly.

Test the break

Stand and sit to see how much sock shows at the trouser hem. Record your preferred hem and sock height without assuming the illustrated outfit guarantees fit.

Important

Check the actual product size chart, material, care label and return terms. The optional link is only for the cardigan; other outfit pieces are separate suggestions. The illustration shows an outfit concept; verify fit using actual garment measurements.
