Printable message cards for a hostess gift

A small message-card PDF with blank and prompted versions. Use the free printable with the steps below; compare the optional supply only if you need it.

1. Choose a message

Print the message-card sheet and choose a short greeting suited to your host. Use the blank card if you prefer your own words.

2. Cut a paper trial

Print at actual size and test the card with the actual wrapping or ribbon. Use printer-compatible cardstock only if needed.

3. Attach without damage

Tie or tuck the card so it stays readable and does not cover instructions or ingredients on the gift. Keep paper away from moisture, food and candles.

Follow material and tool instructions. Decorative clay, paper and wire are not food-safe or flame-safe by default; supervise tools and keep small parts away from children and pets.
