Rust cushion covers for holiday guests: measure the inserts you own

Insert-size and cover-only shopping checklist; inserts are separate. Download the matching printable below, then use the three-step plan. The featured product is optional.

Materials: MIULEE Fall Corduroy Decorative Throw Pillow Covers 18x18 Rust Pack of 2 (optional featured product); Free matching FigureNook PDF; Paper and a pen; The actual item instructions and measurements

1. Start with the real item

Measure the cushion inserts you already own from seam to seam and note their shape. Check whether the cover listing includes inserts; the selected pack is covers.

2. Use the matching plan

Compare the selected 18 by 18 inch rust covers with the insert measurements and your preferred fullness. Read the care instructions before changing covers.

3. Finish and check

Use the card to record insert size, cover size and the number of covers needed. Screen colour and an editorial illustration do not establish an exact textile match.

Check the exact selected option, maker directions, included pieces, current delivery and return terms before purchase. Other accessories shown may be separate.
