Six printable labels for a holiday cocoa station

A printable cocoa-station label sheet. Use the free printable with the steps below; compare the optional supply only if you need it.

1. Choose the station labels

Print the six labels for cocoa, milk, marshmallows, cinnamon, chocolate and toppings. Cross out or replace any label that does not match your actual station.

2. Add ingredient information

Write the real contents and any relevant guest information in the blank lines. A label is not a guarantee against allergens or cross-contact.

3. Arrange safely

Cut and fold the cards and keep them clear of hot vessels and spills. Position serving tools for each topping and supervise hot drinks appropriately.

Follow material and tool instructions. Decorative clay, paper and wire are not food-safe or flame-safe by default; supervise tools and keep small parts away from children and pets.
