Stack a week of lunch containers without losing the lids

A container-and-lid map keeps a lunch set usable. Store complete pairs together or give matching components one clear location.

Fill the fields in a PDF reader, or print and write. Save your own copy; entries are not submitted to FigureNook.

Container size / quantity / matching lid

Drawer or shelf dimensions

Drying and nesting directions

Missing pieces / usable complete sets

Use current product directions. No purchase or signup is required. Product illustrations are conceptual, not exact photographs.

Container and lid pairing labels

Solid lines: cut outline. Dashed lines: fold or design guide. Check the scale before using.
