Thankful-word paper napkin bands

Free printable napkin-band PDF. Use this planning sheet with the full guide.

1. Print or trace the bands

Use the letter-size PDF at actual size on paper your printer supports. The outlined strips are a starting size: wrap a scrap around one folded napkin and adjust the overlap before cutting the final set.

2. Add one thankful word

Choose a word such as Gather, Thanks or Welcome, or handwrite your own. Colour the small leaf motif if desired. Cut solid outlines and keep ink and craft materials away from food-contact surfaces.

3. Fit without crushing

Wrap around a folded napkin, overlap the ends and secure with a suitable removable attachment. Keep closures outside the plate's food area. Cardstock is optional; plain paper already owned may work.

Follow the actual material and tool directions. Decorative clay, foliage and paper are not food-safe or flame-safe by default. Use suitable supervision and keep small pieces away from children and pets.
