Thanksgiving nail polish: choose one solid colour from your outfit palette

Colour-matching practice sheet with anatomically correct nail outlines. Download the matching printable below, then use the three-step plan. The featured product is optional.

Materials: OPI Nail Lacquer Classic Nail Polish Colors | Crème, Shimmer, and Glitter (optional featured product); Free matching FigureNook PDF; Paper and a pen; The actual item instructions and measurements

1. Start with the real item

Choose one outfit colour or accessory as the starting point. The selected polish colour is Black Cherry Chutney, described on the listing as opaque dark red pearl.

2. Use the matching plan

Use the paper nail outlines to mark the colour placement and compare swatches in your own lighting. The worksheet is for planning, not a guarantee of the photographed finish.

3. Finish and check

Follow the actual polish label for application and removal. Keep polish away from children and use the practice sheet before working on a curved nail.

Check the exact selected option, maker directions, included pieces, current delivery and return terms before purchase. Other accessories shown may be separate.
