Vanilla Cashmere gift pairing: scented lotion or a fragrance-free preference?

Recipient scent-preference card; optional pairing, no scent-testing claim. Download the matching printable below, then use the three-step plan. The featured product is optional.

Materials: eos Shea Better Body Lotion (optional featured product); Free matching FigureNook PDF; Paper and a pen; The actual item instructions and measurements

1. Start with the real item

Ask whether the recipient prefers a scented lotion or a fragrance-free product. Do not assume a vanilla-themed gift will suit every person.

2. Use the matching plan

Read the exact Vanilla Cashmere 16 fl oz lotion label and compare the scent wording and ingredients with the preference card.

3. Finish and check

Wrap the unopened product with the original directions and optional gift note. The illustration is a styling idea, not a scent test or promise of lasting power.

Check the exact selected option, maker directions, included pieces, current delivery and return terms before purchase. Other accessories shown may be separate.
