# Southwestern bathroom accent palette

Read the full guide before you begin. Use this worksheet to record your own measurements, quantities and choices.

## SUPPLIES TO CHECK

Actual counter measurements, towels, basket, existing dry shelf

## 01 PLAN

Pick a limited palette such as terracotta, cream and warm brown. Measure the dry shelf or counter area before choosing accessories. Leave the sink, switches and regular storage accessible.

## 02 DETAILS

Use one practical towel and one suitable basket rather than a crowded cluster. Check the real product dimensions, material and care instructions; a basket suitable for a dry shelf may not tolerate a splash zone.

## 03 FINAL CHECK

Test the everyday routine and remove any item that gets wet, blocks cleaning or catches a hand. This is an accent-styling concept rather than a claim that accessories are bathroom-rated or part of a matching purchased set.
